

The Korean Institute of Electromagnetic Engineering and Science (KIEES)

# KIEES Winter Conference 2025

February 12 (Wed.) – 15 (Sat.), 2025

ICC JEJU, Jeju Island, Republic of Korea

## Important Dates

Paper Submission Deadline

**Dec 20 (Fri.), 2024**

Acceptance Notification

**Jan 10 (Fri.), 2025**

Early Bird Registration

**Dec 18 (Wed.), 2024  
~ Feb 5 (Wed.), 2025**

## Paper Categories

General Session

Special Session

English Session

Excellent Papers

Undergraduate Student  
Paper Competition

JKIEES  
Special Issue

## Topics of Interest

- |                                                            |                                               |                                     |                                           |
|------------------------------------------------------------|-----------------------------------------------|-------------------------------------|-------------------------------------------|
| • EMI/EMC/EMP                                              | • EM Theory & Computational EM                | • Microwave/mmWave Passive Circuits | • Microwave/mmWave Active Circuits        |
| • EM Components & Materials                                | • Radio Wave Propagation & Scattering         | • Antenna Theory & Design           | • THz/Optical Systems & Components        |
| • IoT & Sensor Network                                     | • Radar & Remote Sensing                      | • CR/SDR                            | • EM Bio-effects & EMF                    |
| • Biomedical Applications                                  | • Satellite & Cosmic Radio Waves              | • Wireless Communication Systems    | • Radio & Broadcasting Policies/Standards |
| • EM Measurement                                           | • Wireless Power Transfer & Energy Harvesting | • Electronic Warfare & EM Security  | • Broadcasting Technologies/Applications  |
| • Emerging Technologies (5G/6G, Machine Learning/AI, etc.) |                                               |                                     |                                           |

## Paper Template and Submission Procedures

- **Online submission at:** <https://conf.kiees.or.kr>
  - **Template:** 1 page of A4 size (in Korean or English)
    - Submitted your file through KIEES website (or Click the button '논문접수 하러가기')
  - **Presentation:** The preference for oral or poster presentation should be indicated during the submission process, however the final decision on the presentation format may be subject to change
- ※ For detailed information, please refer to the conference website

## Excellent papers and JKIEES Journal Submission Procedures

- **Excellent papers:** Both anonymous manuscript (1-2 pages) and front page must be submitted
- **JKIEES Journals:** Both manuscript 1 pages and 4 pages review paper must be submitted

## Additional Information

- Some of the selected excellent papers will be awarded at the event venue
- Please contact the conference secretariat for more information on organizing sessions
- The 5<sup>th</sup> Student Project Exhibition & Competition
  - Please see a separate announcement for eligibility and application
